Please complete this form and attach it to your financial documentation. You can fax it to 812-941-2595 or mail it to the address above.

Federal regulations require students to demonstrate that they have current resources available to support themselves during their first year of study in the US. Though we can review your application for admission without this documentation, we will not be able to issue an I-20 or a DS-2019 before we have received verification that you have these funds available. For a detailed listing of current estimated expenses for study at IU Southeast, please visit <http://www.ius.edu/Admissions/visastudent.cfm>.
